

YEAR 6 AUTUMN 2026

Dear Parents,

We hope you have all had a lovely time over the summer. We hope you are all ready for your child to start the new school year, so welcome to Year 6! We are looking forward to working together with you so that we can create a very exciting and productive final year at Hazelmere for your child. We hope that you and your child enjoy the new challenges and approaches to learning that Year 6 has to offer!

This term your child will be learning about World War II. In history we will be looking at key parts of World War II, to compliment this in Art we will be creating 3D pieces inspired by Henry Moore. In DT we will also be using our topic to stimulate design. In science we will be looking at living things and their habitats. In maths we will be following the National Curriculum for year 6 supported by White Rose Mathematics. We will be reading several historical pieces of fiction; Once and Letters from the Lighthouse. In PE we will be continuing to develop our skills in Squash, with a visit to the Garrison later in the Autumn Term and a chance to be on the Roman Cup Team.

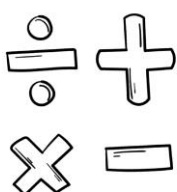

Homework

Children are expected to read 5 times a week. Please can you ensure your child has their reading book and reading diary in school every day and that it is signed when you have listened to them read.

PE is every Wednesday afternoon. Please ensure children come to school in their PE kit (plain white or red top along with plain black bottoms). ALL JEWELLERY TO BE REMOVED for PE and long hair to be tied back.

Maths and Spelling homework will be available on EdShed this year. Please look out for login details inside your child's reading diary. We will set homework every Friday starting from the 25th September.

Finally, team work is vital this year if your child is to make the progress they deserve. Please feel free to come and speak to Year 6 staff at any time if you have any concerns, using the reading diary as a point of contact or catching us on the door at the end of the day.
